

Date - 2024	Home/ Away	Match	WON LOST DRAWN
Sunday 9th June	H	High Wycombe BC versus Desborough BC	W
		<p>This fixture is played on a home/away basis with the scores for both matches aggregated to decide the winner. The trophy is for what has become known as the Dessau Cup. Its true title is the King Edward VII Memorial Trophy. It is believed that it was presented by Mr Dessau in 1910, hence the name stuck. Originally, we played against Drayton Court BC until 1965 when DCBC. closed. Following a range of opponents, we finally agreed with Desborough to play them regularly.</p> <p>On a cold grey afternoon - but no rain - we played 5 triples of 18 ends, winning on 3 of them with a final score of 103 - 90. The aggregate score was a successful gaining of the trophy by 28 shots (204 - 176). Our highest winning rink was Ian Smith, Diane Craigs and Rob Craigs. The warmth of the clubhouse after the match was most welcome.</p> <p>Thank you to the green team for a good surface and for setting out the equipment, Dorothy Benn and Fran Smith for doing the teas and Ken Tucker on the bar.</p>
